

## ATTN Train show vendors

In Dec. 2021, the Philly NMRA Division and the Rockledge Model RR Museum organized a new show to replace the discontinued Hatboro show. We started small not knowing if it would be successful. We sold out the tables [30] and had a paid attendance of almost 200. In Dec. 2022, we have moved to a bigger and better location at **CANNSTATTER VOLKSFEST VEREIN [CVV]** 913- Academy RD, [Northeast] Philadelphia, PA 19114 Again, we sold out the tables [69] and had paid attendance of almost 300

This year's show will be on **Saturday Dec. 9, 2023 from 930am -330pm**, again at CVV, which hosts many different events. We have arranged to have both rooms and expect to have about 100 tables this year. There is plenty of free parking available.

We are planning to have three layouts, model displays and will offer some short hands-on clinics. Food and beverages will be available at the show. The show will be listed on *Railserve.com* and in *TRAINS*, *RMC*, *Cowcatcher* and the *NMRA* magazines. Show flyers will be distributed at local shows in Southeast PA and South Jersey, as well as at the Timonium and First Frost shows.

To participate in this year's show, please return this form to me with your check payable to the **Philly Div. NMRA**.
